**DECLARATION OF NATALIE F. WILSON IN SUPPORT OF REQUEST FOR
ATTORNEYS' FEES AND EXPENSES**

TO THE HONORABLE RONALD B. KING, CHIEF UNITED STATES BANKRUPTCY JUDGE:

My name is Natalie F. Wilson. I am over 18 years of age; of sound mind; capable of making this declaration; fully competent to testify to the matters stated herein; and under no disability that prevents me from making this declaration. I have personal knowledge of each of the matters stated herein, unless otherwise indicated or qualified, and all of the facts stated herein are true and correct.

I acquired this personal knowledge as a result of my activities and duties as an attorney for DMA Properties, Inc. (“DMA”) as more particularly set forth below.

I am Shareholder in the firm of Langley & Banack, Inc. (“Langley & Banack”). I received my Doctor of Jurisprudence Degree from the University of Hawaii William S. Richardson School of Law in 2007. I am licensed to practice law before the Supreme Court of the United States; the Fifth and Ninth Circuit Courts of Appeal; the United States District Courts for the District of Hawaii, Western District of Texas, Northern District of Texas, and Southern District of Texas; the State of Texas (2011), and the State of Hawaii (2007, voluntarily inactive). I am Board Certified in Business Bankruptcy Law by the Texas Board of Legal Specialization and have held such certification since 2018.

In rendering the opinions concerning the necessity and reasonableness of the fees incurred in this matter, I have considered the following factors:

- (A) The time and labor required, the novelty and difficulty of the questions involved, and the skill required to perform the legal service properly;
- (B) The likelihood that the acceptance of the particular employment will preclude other employment by the lawyer;
- (C) The fee customarily charged in the locality for similar legal services;
- (D) The amount involved and the results obtained;
- (E) The time limitations imposed by the client or by the circumstances;
- (F) The nature and length of the professional relationship with the client, Langley & Banack, Inc., and/or its attorneys;¹
- (G) The experience, reputation, and ability of the lawyer or lawyers performing the services.
- (H) Whether the fee is fixed or contingent on results obtained or uncertainty of collection before the legal services have been rendered. Langley & Banack was retained on an hourly fee basis in this case.

I am one of the attorneys of record for DMA in this case. More specifically, I was hired as bankruptcy counsel after pre-petition state court litigation was removed to this Court. I am familiar with the facts of this case and the work that has taken place to date in this case or which would be required in the future in this case. I have also been involved in litigation similar to this cause as well as many other types of litigation. I have actively participated in and reviewed the file, legal

¹ Attached hereto as **Exhibit A** is my profile, reflecting greater detail of my education, experience, and expertise.

issues, pleadings and correspondence among counsel in connection with this matter as of the date shown below. I have further actively participated in the preparation and presentation of this case.

Attorneys' services and fees in this case have been incurred in connection with our legal services performed for DMA in this adversary proceeding.

The attached invoices submitted as **Exhibit B-1** reflect the hours and hourly rates applied in this case by the attorneys representing DMA in this case. The hourly rates are appropriate and reasonable for the training and experience of each respective attorney and paralegal, and are customarily charged in the locality of Bexar County and the Western District of Texas for similar legal services. In fact, the hourly rate of \$375.00/hr was a reduced rate from my typical hourly rate for bankruptcy litigation matters. My standard hourly rate for such matters is \$400/hr which is reasonable and appropriate under all the relevant circumstances.

I am the only timekeeper from Langley & Banack who provided services to DMA in this case. I am identified on the attached invoices as Timekeeper 0194. The invoices have been redacted to protect privileged communications and attorney-work product. The invoices have also been redacted to exclude time entries that were not related to the successful prosecution of DMA's claims related to the Harris Saltwater Disposal Well ("Harris SWD"), sometimes referred to as the "Bigfoot Note." For convenience, attached hereto as **Exhibit B-2** is a spreadsheet showing only those time entries related to the Harris SWD/Bigfoot Note.

In this case, DMA asserted that it had a valid and enforceable agreement under which it was owed 50% of the payments made by Bigfoot pursuant to the Bigfoot Note. The total of the payments that the Debtor had wrongfully withheld from DMA was more than \$150,000.00. After the pre-petition litigation was removed to this Court, I primarily assisted litigation counsel in (a) conforming to local rules and practice and (b) developing a litigation strategy consistent with bankruptcy law and procedure. I have excluded time that did not directly contribute to the award of the funds paid into the registry of the Panola County Court to DMA, including, for example, all the days that I attended trial.

It is my opinion that the fees charged, the hours worked, and services provided are reasonable, necessary, just and equitable for litigation of this type. Exhibit B was compiled from Langley & Banack, Inc.'s contemporaneous time records and invoices, which are kept by Langley & Banack, Inc. in the regular course of business, and it was the regular course of business of Langley & Banack, Inc. for an employee or representative of Langley & Banack, Inc., with knowledge of the act, event, condition, opinion, or diagnosis that was recorded, to make this record or to transmit the information to be included in this record. The record was made at or near the time or reasonably soon after the act, event, condition, opinion, or diagnosis that was recorded. The records attached to this affidavit are the originals or exact duplicates of the originals (subject to the redactions).

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 6th day of April, 2021 at San Antonio, Texas.

About Natalie Friend Wilson

Natalie Wilson has a passion for helping businesses thrive in challenging economic and regulatory environments. She has over a decade of experience representing debtors, trustees, and creditors in commercial bankruptcy cases filed under chapters 7 and 11 of the Bankruptcy Code, including related litigation and appeals. She also consults with other members of the firm about bankruptcy-related issues or questions that may arise in litigation or transactional matters.

The foundation of Ms. Wilson's success in the restructuring arena is her ability to quickly learn the intricacies of a particular business so that she can develop creative, yet feasible, solutions to the challenges in any given industry. One common source of great uncertainty and potential liability across all industries is cybersecurity, data protection, and privacy. Recognizing the potentially enormous impact that cyber-attacks and data breaches can have

on business operations and profitability, Ms. Wilson expanded her practice to include these areas. She assists businesses in developing and implementing policies, terms of use, response plans, and in responding to adverse incidents.

Prior to joining Langley & Banack, Ms. Wilson clerked for Associate Justice Simeon R. Acoba, Jr. (Ret.) at the Hawaii Supreme Court. Her clerkship honed her research and writing skills and gave her insight into how courts decide cases. Most importantly, Justice Acoba emphasized the commitment to providing quality representation and service to every party before the Court and set an example of professionalism that established the tone for Ms. Wilson's practice. After her clerkship, Ms. Wilson entered private practice in Honolulu, Hawaii, practicing before the bankruptcy, federal, and state courts in Hawaii.

In addition to her thriving legal practice and her membership in various bar associations, Ms. Wilson is active in the Military Spouse JD Network, a bar association for lawyers married to members of the armed forces. She previously served as Key Spouse Mentor for the 836th Cyberspace Operations Squadron and as the Key Spouse for the 92nd Cyber Operations Squadron (2016-2017) and the 624th Operations Center (2011-2012).

Ms. Wilson's outstanding contributions to the community have been widely recognized. She has been honored as a Professional "On the Rise" by Texas Lawyer Magazine (2018), San Antonio Business Journal's 40 Under 40 (2016), and the Belva Lockwood Outstanding Young Lawyer by the Bexar County Women's Bar Foundation (2014). In 2020, upon her spouse's retirement from active duty service, Ms. Wilson received the "Yellow Rose of Texas" Commission from Governor Abbott.
